Gabriel and Sandi,  
Attached please find the requested preliminary building plans for the forced move projects in Monroe, LA, Alexandria, LA, & Texarkana, AR, to help you with your internal planning and analyses for these projects. After giving you some time to review, we'd like to schedule a conference call with Gabriel and coordinate it with a site visit to Dallas to see Sandi. It would be with myself, my Division Director Matt Madison, and the 2 GSA Project Managers for these projects. We'd like to discuss some rough scheduling estimates/dates, your planning and how we can help if needed, and see how our projected schedule matches up with yours.  
If you have any questions please let me know.  
Thank you.
